Entrance requirements for the Enrolment Procedure:

- **Teacher Training, Architecture, Cultural Studies and Industrial Design**: Original university entrance certificate or another equivalent certification proving the applicant completed a degree programme of at least three years at an approved, post-secondary educational institution
- **Master's Degree**: a Bachelor's degree or another equivalent certificate (copy should include all pages)

Assessment: The examination board evaluates the entrance exam, and announces the result by which it becomes legally effective. The applicants can access their result using their e-mail address and the password they chose when creating their account.

German Language Certificate: The following study programmes require applicants who do not have German as a first language to submit a German language certificate **before** they can be admitted to the university: Teacher Training, Architecture, Cultural Studies, Media Culture & Art Theory, and Industrial Design. In order to apply to one of our **art degree programmes**, applicants need to have an adequate understanding of the German or English language for the entrance exam. After admission, students in our art degree programmes have to submit a German language certificate before starting their third semester.
